Respondent.)	

On April 14, 2013, the court denied on the merits petitioner's application for a writ of habeas corpus under 28 U.S.C. § 2254, declined to issue a certificate of appealability (COA) and entered judgment in favor of respondent. Petitioner's request for an extension of time to file an application for a COA is construed as a request for an extension of time to file an application for a COA in the Ninth Circuit and is DENIED without prejudice to petitioner seeking an extension of time directly from the Ninth Circuit after he first files a notice of appeal.

SO ORDERED.
